

Membership Registration Form - The West Bend Community Association

The West Bend Community Association (TWBCA) works to foster a sense of community and to promote a happy, safe and healthy living environment. **TWBCA** is dedicated to improving the community within our area and the city of Toronto through the active participation of TWBCA members in Neighbourhood Projects and the life of the city.

The Association supports the City of Toronto's official plan, identifies its own projects and seeks to co-ordinate its efforts with its Municipal Councillor. It is part of Ward 14 which is grouped with several other wards in the Toronto – East York Community Council.

TWBCA has been operating for approximately 25 years, formerly under the name of the **Dundas West Residents Association**. It is recognized by the City of Toronto as a community organization and receives public notices of City initiatives affecting the area.

The meetings are held at Indian Road Crescent Public School, the 3rd Wed of the month from September to June.
